## ATHLETIC ASSOCIATION

Being a Grassland Athletic Association sponsor is a wonderful way to give back to the community and provide a fun, recreational activity for the youth of Williamson County. It is also a great way to get your name in front of thousands of people at a time and increase your brand awareness!

Grassland Athletic Association is a 501 (C) (3) organization, so your sponsorship is tax deductible where allowed by law. We have several levels of sponsorship available, depending on the level of visibility you want.

If you are interested in becoming one of our sponsors, contact Justin Dorris at [justin@playgrassland.com](mailto:justin@playgrassland.com) and he can help you determine which package is right for you, or we can create one that will fit your business needs.

We are gearing up to have our best season yet, and look forward to partnering with you as a sponsor this year.

As always, we appreciate you being a part of our organization!

Sincerely,

Justin Dorris  
GAA Program Director
